

Program...

consists of blocks:

Pro Mixing Online Coaching

Duration: 17 Weeks

Online Mixing Course, consists of 2 blocks

Aim:

Achieve "Mastering-ready" top level mixes with ease, system, and consistency. We coach you to make your mix sound as good as your brought in reference and sometimes even better.

Block 1:

- Kick Off live Session
- Book
- Video Modules (< 10h)
- 6 Live Q&A Sessions

Certificate of Participation

Block 2:

- 11 Live Coaching Sessions, in which we give distinct feedback and help you to create a great sounding mix
- Live 24bit audio streaming between us & your studio
- Video Replays of every Coaching Session, so that you can implement our feedback 1:1 within your own listening environment after the session.

Ideal preparation for [Master Seminar](#), if you wish to perfect your mixing skills before.
(no prerequisite for Master Seminar)

Block 1: Mixing Power House

Duration: 6 Weeks

Block 1 prepares you perfectly to jump into your Mixing Coaching (Block 2) of a project of your choice. You will optimize your project structure and create advanced routing schemes which is the basis to apply meaningful level staging structure in conjunction with a solid metering knowledge in order to create consistent well-balanced mastering-ready mixes much faster than ever before. The structure allows you to reduce mouse traveling and thinking so that you can focus in the creative part of your job.

Block 2: Mixing Coaching

Duration: 11 Weeks

You see and hear what is needed to bring your mix to perfection within your own listening environment as we spill 24bit audio right away on your studio monitors. You are pointed to detect the weaknesses of your mix and remedy those and you also learn from the challenges of your fellows. At the end we prove your mix to be mastering-ready and compare it with your reference.

Master Seminar

Duration: 26 Weeks

Online Intensive Course (3 Blocks)

Certificate of Examination

Mastering Academy's Master Seminar is the most complete course on mastering available on the international market and at the same time the only course worldwide, with unique real time 24bit audio streaming technology which lets you follow each detail from your personal listening environment to have an unparalleled learning progress.

This program builds the fundament for both: Upcoming mastering engineers as well as producers who want to finalize their own productions and want to extent their horizon.

Aim:

Continuative training & consultation program to adapt your skills fully to your working environment to excel your decision-making abilities in the mastering process based on deep knowledge. Become certified professional Mastering Engineer.

Block 1: Mastering Theory

Duration: 15 Weeks

You will be equipped with a wealth of deep knowledge on all relevant topics of modern mastering within 15 video modules accompanied by training material and live Q&A sessions.

Block 2: Mastering Coaching

Duration: 11 Weeks

In this live Coaching Program we work through 10 mastering processes until perfection. You get precise feedback on your chain and we pitch results with each other and analyze them, which is big fun with a great learning result which makes you create great masters.

Block 3: Examination to become Certified Mastering Engineer

Duration: 2 days – Individual appointment

You deliver an EP mastering job within 48h and get a score after in-depth review plus a final personal 1:1 feedback.
